THANKSGIVING 2002

We have a lot to be thankful for this year. Remember how we were all feeling last year at this time, just a couple of months after 9/11. Our country has survived and, one could argue, is stronger than before,

The business economy is not where we would like it to be. We may be facing a war in the Middle East. But, in spite of these clouds in our sky, we have some sun streaming through. Most of us are pretty well off. We're looking forward to the upcoming holiday season with hope and joy in our hearts.

We at Taylor Plumbing are thankful to all of you, our customers. We are thankful that our employees are healthy and able to serve you with your service, backflow, construction and irrigation needs.

We hope that YOU have much to be thankful for this Thanksgiving week.

CHECK YOUR SILLCOCKS

Winter is fast approaching! Don't forget to disconnect your outside hoses and shut off the valves for your outside sillcocks.

POSTCARDS

We hope you are enjoying our monthly postcard mailings. If you have not been receiving them, you probably don't know about the monthly contests we have been running. The prize for the November contest is an elegant dinner for two at Le Titi de Paris. This will be an experience you will long remember. If you would like to enter the November contest, just go to our web-site (www.taylorplumbing.com) or fax us a note that you would like to enter.

~ Final Thought ~

**We are what we repeatedly do.
Excellence, then is not an act,
but a habit.**
