A Periodic Newsletter from Taylor Plumbing Inc.

We're Moving

Taylor Plumbing is on the move. We will be working out of our new quarters on **March 31, 2003**. Our new address will be:

488 Diens Drive

Wheeling IL 60090-2641

Our new telephone will be:

(847)279-8581

~~~~~

## WIN DINNER FOR TWO at Le Titi de Paris

Enter our **contest** by visiting our website :

**[www.taylorplumbing.com](http://www.taylorplumbing.com)**

Just fill out the contest entry form there and e-mail it to us. If you don't have access to the internet, send us a fax or letter with your name, your company, address, telephone number and the word "CONTEST." We will make sure you are entered. **The drawing will be March 31, 2003**

Watch for our next contest, where the prize will be two tickets to the **Indy 500**.

## WATER CONSERVATION FACTS AND FIGURES

We drink very little of our drinking water. Generally speaking, less than 1% of the treated water produced by water utilities is actually consumed. The rest goes on lawns, in washing machines, and down toilets and drains.

~~~

Little leaks add up in a hurry. A faucet drip or invisible toilet leak that totals only two table-spoons a minute comes to 15 gallons a day. That's 105 gallons a week and 4,560 wasted gallons of water a year.

~~~

Taylor Plumbing helps you to conserve water and keep it clean. Though our Service, Construction, Backflow and Lawn Irrigation departments, we keep your water safe, flowing and pure.

~~~~~

FINAL THOUGHT

Enjoy the little things in life, for one day you may look back and realize they were the big things.
